**Due to regulatory requirements, transfers to destinations in Mainland China are currently not allowed.

***Cities approved for transit flights must be your first point of departure. The exceptions are if your first point of departure is for a domestic flight, or if you are departing from a country in the Schengen area to connect to a SIA flight that is departing from another Schengen country.

****Do note you will not be able to transit through Singapore if you had to transfer through another country from your city of departure before transiting at Changi Airport. For example, Dublin – London – Singapore – Sydney is not allowed.
